Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

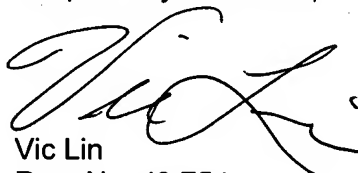

**STATUS REQUEST**

Dear Sir:

More than 2 years have passed since our April 16, 2004 filing of the above-identified patent application. A review of the status within the USPTO website indicates that the application was assigned to an Examiner in September, 2004, however no subsequent Office Action has since been received.

Kindly advise us of the present status of this application.

Respectfully submitted,

  
Vic Lin  
Reg. No. 43,754  
Attorney For Applicant

I hereby certify that this correspondence is being deposited  
with the United States Postal Service as first class mail in  
an envelope addressed to: Commissioner for Patents,  
P.O. Box 1450, Alexandria, VA 22313-1450 on

7-24-06
